

KATIE LOOM Accessories

NEW

Raddle Kit

Beam your warp evenly every time with the new, improved raddle kit. Steel pins spaces 12.5mm (1/2in) apart. Lacquered silverbeech hardwood. Kit included: 30cm (12ins) Raddle, 2 steel rings, stretchy helping hands, Learn to Weave on the Table Loom booklet and 20 cardboard warpsticks. The perfect accessory for your new Katie loom.

Warping Frame (small)

To create a warp of correct size and tension a warping frame is essential. This strong frame has pegs set firmly at regular intervals. The new small warping frame holds 4.5m (14 1/2ft) warps. Lacquered finish.

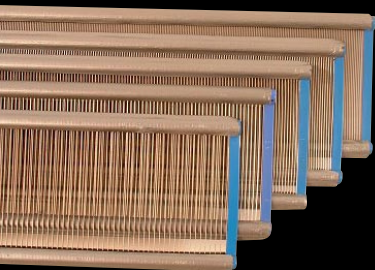

Boat Shuttles

Beautifully shaped and well balanced, now available in two sizes :

- Shuttle 35cm (14ins)
extra length for wider weaving widths
- Shuttle 29cm (11 1/2ins)

Made from Silver Beech hard wood. Laquered finish.

Paper and nylon bobbins are also available in packs of 10.

Stainless Steel Reeds

30cm (12ins) Stainless steel reeds
6, 8, 10, 12 & 16 dpi

Wooden Boat Shuttle Bobbin Winder

Perfect for winding bobbins for the Ashford boat shuttles. Tapered stainless steel shaft, nylon bearings, fast 12:1 ratio & natural timber finish. Includes clamp.
