

SUGGESTED SETTS

Below are suggested sett for all Ashford yarns.

This is just a guideline. We recommend you sample your yarns before commencing a project. Weave a small section and wash to see the finished result. The sett can vary depending on the weave structure you are using and the desired drape required on the final fabric.

e/cm = ends per centimetre

epi = ends per inch

Yarn	Loose Plain Weave	Firm Plain Weave
Rigid Heddle Looms (Inc. Knitters and Samplett's)	Reed	Reed
Ashford Tekapo 8 Ply Wool	30/10cm (7.5epi)	40/10cm (10epi)
